## Investment FAQ

### **Where will you be located?**

We signed a lease at 3846 52nd St. SE in Kentwood, MI. Our space is located west of East Paris in the center of the "Shoppes at 52nd Street."

### **When are you opening?**

Once we receive City, State, and Federal approval we will begin construction. Our goal is to be open in 2019.

### **Do I need to join the co-op to become an investor?**

Yes. If you're not a current member, you will need to purchase the \$150 membership.

### **What is the requested investment size?**

Minimum investment is \$100.

### **Didn't you already have an investment offering? What are you doing with those funds?**

Yes, we had a fundraising campaign in 2016-2017. Those funds were held in escrow. We have recently released those funds to secure the space and put towards future rent, licensing and monthly expenses.

### **What is your monetary goal for this investment offering?**

Our goal is to raise a minimum of \$25,000 to begin the brewery build out.

### **How will the proceeds of the investment be used?**

The investment money will be used to purchase equipment and opening related expenses.

### **What kind of return is expected?**

We will pay out a dividend with a maximum of 8% return on your investment.

### **Where can I find more information on High-Five and the Investment Offering?**

Check out our website: [beer.coop](http://beer.coop) or send your questions to: [info@beer.coop](mailto:info@beer.coop)

### **I know someone who is interested in investing. What should they do?**

We will continue to host other investment meetings throughout the year, however, they can also email [info@beer.coop](mailto:info@beer.coop) and we can send them an investment packet and schedule a time to meet with them to discuss in detail.

### **Are there other ways I can help High Five besides investing?**

Yes! We are looking for members with construction or trade skills experience to give us recommendations for our build out. We also welcome input from individuals with brewery and restaurant experience.
